Summary

I am an engineering student currently pursuing my degree from Kathmandu Engineering College. Being a technology enthusiast, I am passionate about developing user-friendly applications and websites. I have been developing my coding skills in JavaScript technologies required to create high quality applications for individuals and organisations.

Skill Highlights

- HTML&CSS
- JavaScript
- Node.js
- React

Experience

Full Stack Developer Intern - 10/2020 to 12/2020

Asterdio Inc., Kathmandu

- Assisted in writing well designed, testable, efficient code by using best software development practices.
- Consulted with web designers to match intent of visual design.
- Assisted in integrating data from various back-end services and databases.
- Collaborated with other developer, testers, and system engineers to ensure quality product enhancements.
